## RELEVANT EXPERIENCE

### Founder, Deaftek

2025 - Present | Buea, Cameroon

- Established a community-driven initiative to provide digital skills and STEM training for Deaf youth
- Designed beginner-friendly programs in computer literacy, coding, and data science, advocating strongly for accessibility and inclusive education in technology.

### Mathematics Teacher (Part-Time)

Buea School for the Deaf

- Taught Mathematics to Deaf students, using sign language and visual-first methods
- Served as a role model, inspiring Deaf learners to pursue STEM education.

### Academic Internships

Aug-Sep 2023 & Aug-Sep 2024 | Goodmann Enterprise, Buea

- Trained in networking and cybersecurity (CISCO, Packet Tracer)
- Gained hands-on skills in UI/UX design (Figma), Dynamic Web PHP, and introduction to cybersecurity.
